

PNR

**SPRAY NOZZLES
FOR INDUSTRIAL
APPLICATIONS**

APPLICATIONS

Our products have been successfully used for many years in several sectors:

- Steel industry
- Food & Bev processing
- Tank washing
- Chemical
- Pharmaceutical
- Oil and gas
- Petrochemical
- Chemical processing
- Gas scrubbing and cooling
- Pulp and Paper
- Pre-treatment and surface finishing
- Dust suppression and pollution control
- Waste and water treatment
- Agricultural and Zootechnical
- Textile and leather industry
- Mining and stone industry and many more

PRODUCT RANGE

- Flat fan nozzles
- Full cone nozzles
- Hollow cone nozzles
- Spiral nozzles
- Custom nozzles
- Manually or automatically operated atomizers
- Hydraulic atomizers
- Blow-off nozzles
- Steelworks nozzles
- Spray drying nozzles
- Paper industry nozzles
- Fire protection nozzles and systems
- Tank washing heads
- Tank mix eductors
- Pipe clamps
- Swivels
- Inline and internal filters
- Accessories and fittings

CERTIFIED QUALITY

Our Quality Management Systems certified to ISO 9001. The efficiency and performance of our products is assured by a computerized Fluid Dynamics software and by advanced tests carried out in a modern and well equipped laboratory.

COMPANY PROFILE

Incorporated in 1968, PNR is an Italian manufacturing company that produces a broad range of advanced spray nozzles and spraying systems for industrial applications, and has been doing so for nearly 50 years.

Our portfolio ranges from all types of spray nozzles, wash heads and atomizers to more complex and tailored spraying units and devices. The result of a long experience and a vast know-how in fluids dynamics, design, and manufacturing.

Throughout our history, we have successfully served a wide variety of industries all over the world. We can supply our products through a global sales network of PNR commercial branches and Distributors.

Located in Voghera, not far from Milan, our Headquarters and production facility span 6,000 sqm, conveniently positioned in a well-served area, near key international shipping routes and in easy reach of the Genoa port.

We are focused on delivering innovative and technology-based solutions to respond to the changing needs of customers, while maintaining our commitment to tradition and Italian quality.
